Inglewood, California 90302

Dear Sir/Madam:

Avocet Environmental, Inc. (Avocet) is conducting a Phase I environmental site assessment for the approximately 6.8-acre vacant property at 231 and 234 West Hyde Park Boulevard in Inglewood, California. Pursuant to the provisions of the California Public Records Act, Avocet respectfully requests access to environmental records on file in your office for this property.

For the purpose of this request, environmental records would include underground storage tank, aboveground storage tank, "tiered" and/or other environmental permits; enforcement orders; and reports and correspondence related to site investigation/assessment, soil sampling, monitoring, cleanup/remediation, removal actions, closures, or any records related to conditions in air, soil, surface water, groundwater, or other environmental media. It would help to know how many records your office has on file, their format (hard copy, electronic, microfiche, etc.), and whether there are any fees associated with accessing and/or copying them.

Thank you for your prompt response to this request. If you have any questions or anticipate any problems, please do not hesitate to contact the undersigned at (949) 296-0977 Ext. 102 or at [pmiller@avocetenv.com](mailto:pmiller@avocetenv.com).

Respectfully submitted,

AVOCET ENVIRONMENTAL, INC.
